

## **Call for Papers-IJCMB 2012**

**International Journal of Cell & Molecular Biology (IJCMB) ISSN 2220-7589** is a new broad-based journal that was founded on two key tenets: To publish the most exciting research in all areas of Botany, Zoology, Biochemistry, Microbiology, Molecular biology, genomics and proteomics, food and agricultural technologies. Secondly, to provide the most rapid turn-around time possible for reviewing and publishing, and to disseminate the articles freely for teaching and reference purposes. All articles published in IJCMB are peer-reviewed. IJCMB is now publishing one volume per year with four issues.

**Experts in different fields of Biological Sciences are expected to write their manuscript on any of the areas of Botany, Zoology, Biochemistry, Microbiology, Molecular biology, genomics and proteomics, food and agricultural technologies. Accepted papers after review will be published in the upcoming issue 2012. Authors should please read the [instructions for authors](#) in preparing their manuscripts.**

**Submit manuscripts by simple [online submission form](#) as to the Editorial Office. A manuscript number will be mailed to the corresponding author same day or within 48 hours.**

### *Types of papers*

**Regular articles:** These should describe new and carefully confirmed findings, and experimental procedures should be given in sufficient detail for others to verify the work. The length of a full paper should be the minimum required to describe and interpret the work clearly.

**Short Communications:** A Short Communication is suitable for recording the results of complete small investigations or giving details of new models or hypotheses, gene isolation and identification, innovative methods, techniques or apparatus.

**Reviews & Minireview:** Submissions of mini-reviews and perspectives covering topics of current interest are welcome and encouraged. Mini-reviews are also peer-reviewed.
